Protection Business Has New Manager

BY SUSAN EDMONSTON

Editor Emeritus

Bumper to Bumper, in Protection, has a new store manager – Mike McMoran of Coldwater.

He recently replaced Jeff Heath who managed the Protection location since April 15, 2011. Heath is now employed by the Comanche County Road and Bridge Department as the noxious weed director.

McMoran is in the store from 8 a.m. to 5 p.m. Monday-Friday and 8 a.m. to noon on Saturdays.

Plans are to have an open house later this year.

Bumper to Bumper is a well-stocked business for agricultural, automotive and industrial supplies and repairs. If the store doesn't have what customers need, the Jobbers Automotive warehouse in Wichita is contacted and it is possible that the overnight delivery truck will have it for customers the next morning.

Incidentally, when that truck shows up in Protection, Mark Houghton, longtime resident of Protection, meets the driver, picks up supplies in his own Jobbers Warehouse truck and leaves town around 11 p.m. to make maybe a dozen stops between Protection and Walsh, Colo., before returning to Protection by 10 a.m.

More on McMoran

McMoran celebrated a birthday on July 14 and is now 46. He enjoys riding his motorcycle and also has a dirt bike. He and his brothers Ed and Cam used to go to Great Bend and occasionally participate in drag racing events. Another hobby is hunting, and he participates in the coyote calling contests. McMoran also has an interest in old vehicles.

He grew up on a farm 14 miles south and 17 miles east of Coldwater with his parents Ray "Mac" and Diane McMoran and siblings Ed, Cam and Angela. His companion nowadays is his 2.5-year-old German Shepherd.

McMoran graduated from Coldwater High School in 1999, the final year before the Protection and Coldwater schools combined and was renamed South Central.

He attended the Kansas Law Enforcement Training Center in Hutchinson, graduating in 2001 as a deputy for Comanche County. He served as undersheriff from 2003 to 2009, and as sheriff from 2009 to 2017. He then worked for the Kansas Racing and Gaming Commission as an enforce-

ment agent, stationed at the Boot Hill Casino in Dodge City.

He became a truck driver for Milk River Trucking, in Hugoton and later hauled fertilizer for Alliance Ag and Grain from Woodward, Okla., to Greensburg. Between trucking jobs, he was employed by Sally Selzer, working a couple of years in her Worship Woodworks building on North Main in Coldwater.

BOE Approves Changes

STAFF REPORT

USD 300 will move to a new athletic streaming platform this year after board members approved a change from the NFHS Network to HUDL during the district's August school board meeting.

South Central High School head football coach Brett Westrup and Principal Brett Bates presented information to the board regarding the proposed switch, citing concerns from community members about the quality of the current NFHS Network streams and increasing subscription costs for viewers.

The minimum NFHS Network subscription currently costs patrons \$13.99 per month to watch South Central activities, according to the presentation.

The district's new HUDL package will include higher-quality automated cameras designed to better follow game action and will allow patrons to watch South Central activities at no cost. The system will include mounted cameras at the high school football field and high school gym, along with a portable camera that can be used for middle school events and away activities.

More than 70 percent of Kansas high schools currently use HUDL, according to information presented during the meeting.

The board approved buying out the remaining NFHS Network agreement for \$5,000, with the cost split equally between the school district and a donor.

The board also approved purchasing the HUDL athletic package for \$10,000. Football, volleyball, girl's basketball and boy's basketball programs will each contribute \$1,500 toward the cost, totaling \$6,000, with the district covering the remaining \$4,000.

Chip Seal Project to Begin Aug. 26

PRESS RELEASE

Crews from APAC are scheduled to begin work on chip sealing County Road M in Clark County from Highway 34 east to the Comanche County line. This chip seal work is estimated to start on Aug. 26 and be finished by end of the end of the month.

The chip sealing process includes applying a hot asphalt emulsion followed by a surface layer of small rock. Chip seals are part of road maintenance to help seal and preserve the life of the existing pavement.

The Clark County Road and Bridge department asks residents to be courteous to the construction crews while they are working. This will allow crews to do the work more efficiently and expedite the process.

Monroe’s grandparents are Sondra “Sonie” (Filson) and the late Bill Monroe. His great-grandparents are Gary and Charlotte Filson, of Protection.

He has a younger brother, Michael “Mikey,” who will be a seventh grader this year at South Central Middle School, in Protection.

When John Kearnes Monroe II was

in middle school he picked up the nickname “Deuce.” He graduated from MacArthur High School in Irving, Texas – a suburb of Dallas – and then attended Northwestern Oklahoma State University, in Alva, Okla., taking classes toward a business administration degree.

He is a fan of the Dallas Cowboys and Dallas Mavericks. He enjoys boxing, golf, running, and he competes in amateur boxing tournaments. Monroe was a youth summer camp counselor in golf. Some of his golfing travels have been to California, Las Vegas, New Mexico and Florida.

An interesting fact about Monroe is he knows a lot about basketball stats as far back as 50 years ago, and has an extensive basketball card collection with a few football cards added to the mix.

Some of his favorite memories are spending Christmas with his grandparents, Bill and Sonie Monroe and taking family trips to a RV park in Texas.

Monroe also has a summer birthday. It was June 23. His future plans are to live on his own. Working at Bumper to Bumper, in Protection, is helping him get acquainted with local and area residents.

Protection prattle

Ripe melons plentiful. Corn cutting time about here.

Charley McLaughlin left for Harper Tuesday morning. He expects to help thresh the "golden grain."

A number of Coldwater people was down to the dance last Saturday night. They seemed to have had a very good time.

It is reported that a young man, on arriving at the home of his lady-love last Sunday night, found the home in possession of burglars, but the burglars proved to be "nothing at all." — [Correspondent] "JUNIPER."

Putting up hay

G.W. Snell, of Protection Township, says that he will have at least 100 tons of good hay this year. He expects to begin putting it up next week. Hay land this year is decidedly at a premium.

Protection paragraphs

The splendid rains of the last week or two are giving the crops a good growth, and some of the farmers say that they are going to have as much feed as they had last year.

Delos Dunton of Carpentersville, Illinois, arrived here a few days ago and is erecting a large barn on his stock farm two miles north-east of town. He will also build a dwelling house.

Way & Meisinger are building their lumber sheds.

Robert Chrisman is improving his residence with a coat of paint.

James Spears is putting down a well.

W.M. Taylor shipped a car of cattle; also John Stokes shipped a car of cattle this week.

Several parties from the Strip were in town this week hunting seed wheat.

Mr. and Mrs. Way made a trip to Coldwater this week.

Miss Verda Eastman has come in from Indiana to live with her grandfather, Peter Wuchter.

Henry Beltzer, the jeweler, is at work this week. Mr. Beltzer lives near Brule, O.T. [Oklahoma Territory], and comes to Protection and

repairs watches and clocks. John Keys will get the work done in first-class style. — "OWEN."

Baseball wrangle

Both Protection correspondents mentioned a baseball game between teams from Ashland and Protection. It ended with a big score and hard feelings.

"JUNIPER" reported: Our home team played a game of ball with Ashland. The score stood 31 to 31. Ashland would not play off the tie, and went home feeling very sore. Hurrah for "us."

"OWEN" was apparently at the game and shared a more detailed account:

The baseball game between Ashland and Protection was one of the closest and best played games ever played in our city.

Ashland sent their challenge in behalf of their second nine, but when the players arrived it was found that they had picked the best players from their two nines.

Protection was not prepared to meet such players, but asserting her old-time pluck, gathered together such a nine as they could pick up, and proceeded to cross bats with the sturdy Ashland boys.

Ashland found from the start they had met a far different team than on the preceding Saturday, and although they gained a decided advantage during the first two innings, our pitcher, Moore, who had crawled out of bed to pitch the game, settled down to business.

The game waxed, fast and furious, Protection making a steady gain till at the end of the ninth inning they tied the score — 31 to 31.

Ashland claimed the game on the grounds that they had reached the 31 first, but on examining the rules they found they could not produce such rules.

They then made the claim that if they made one tally on the first half of the tenth inning the game was theirs, but on consulting the rules again they could not find such a rule.

Then they retired from the field, which gave the game to Protection.

Battery for Ashland — Able and Hoover; for Protection — Moore and Jarnagin.

School bells

[Country] schoolteachers are now nearly all "located."

Alva Alexander will teach a five months' term of school in the Kimes District, in Irwin Township [north of Protection], beginning September 2.

Miss Marion Barlow has been employed to teach a six months' term of school in District No. 42, south of Protection beginning the first Monday in September.

Emmet Harper, who had charge of the Protection school last winter, has been employed to teach a six months' term of school in District No. 14, Valley Township, beginning September 2.

Look both ways

Junior, the [six-year-old] son of John and Minnie Wait, escaped what might have been a serious injury last Monday afternoon when he attempted to cross the street between Roy Lewis' store and the Protection State Bank, and was hit by an auto coming south and turning west.

The car was motoring slowly and the driver immediately applied the brakes, thus preventing any serious accident. Junior was rushed to Dr. Burnett's office. Junior received a good shake-up and was somewhat stunned for a few minutes. Only a bruised foot and a few minor injuries resulted.

New Ford owners

The following Protection people have purchased new Fords recently from the Bachman & Company Agency:

John Moody, a new coupe; Roy Dorsey, a new roadster; Howard Hill, a new roadster; Clay Woolfolk, a new coupe; Melvin Maris, a new new about; and Howard Shrauner, a new runabout.

New cafe owner

Last Friday, M.S. Nickel, who lives southeast of Protection, purchased the Cozy Lunch, a local restaurant, from Mrs. John Riggs.

Mr. Nickel has had experience in the restaurant business all the way up from "bottle washer" to chief cook. He has an ambitious and energetic young man of the caliber that makes friends and satisfied customers.

"There will be no change in policy of the Cozy Lunch," says Mr. Nickel, "with the exception that there will be no regular meals served as we are serving only short order and lunches."

The POST welcomes Mr. Nickel and his family to Protection and wishes him much success in his new endeavor.

Zimmerman reunion

Monday afternoon and evening at the home of their mother, Mrs. Jacob (Susan) Zimmerman, south of Protection, all the children of the family gathered for a family reunion.

Five sons and four daughters are the children now living and all were present, including 18 grandchildren.

Those present were: Joe and Tillie Zimmerman and children Ellen, Vernon, Arleta and Grace from Harper; Noah and Pearl Zimmerman and children Susie, Paul, Orpha, Orva, Murrell, Mildred and Stella; Charles and Ida Schweitzer and children Myrtle, Gladys and Esther; Elmer and Erma Zimmerman and children Elsie, Elvin and Lois; Jake

and Stella Zimmerman and daughter Idell; Mrs. Susan Zimmerman and Harry, Mabel, Susie and Ruth.

War relic (was) in the park

Through the cooperation and financial efforts of the City and local post of the American Legion, the city park is to have an added attraction to its grounds, that of a captured German cannon, being captured during the war.

The cannon is a German Howitzer of 150 centimeters, made in 1906 by the Krupp Works. Although it has been through years of service and shows decay, it will be a fine attraction for all Protection folks as well as Protection visitors.

The short gun is of the light field artillery type. It has a range of six to ten miles and can be accurately sighted. The rifles on the barrel are interesting for inspection. Small signs of camouflage still are visible on the gun.

It is to be mounted on a cement base in the city park and probably will be placed so that it will point westward toward the street.

Yes, the captured World War I weapon was put on display near the west end of the park, but no—it's no longer there.

During a drive for scrap metal in World War II, residents decided the attraction should be recycled into something more useful than a display. A century later, the concrete base marks where it sat for less than two decades.

Bachman, Sibbitt wed

At eleven o'clock Wednesday morning at the home of Mrs. Levona B. Bachman, the bride's mother, west of Protection, Miss Vesta Emma Bachman and Mr. Clifford Sibbitt, well known and prominent young people of Protection, were united in marriage by the Rev. W.H. Dellinger, pastor of the local Methodist Church.

The bride was a member of the 1918 graduating class of the local high school. She is also a Lindsborg College graduate. She has taught two years in the Macksville High School and one term in the local high school. Vesta's pleasing and charming character has won for her many friends.

The groom is the son of Roger and Amanda Sibbitt north of Protection. Clifford is one of Protection's ambitious and wide-awake merchants, having become a local businessman when he purchased the grocery department of the Field Mercantile Company a few months ago. He is well respected and highly thought of in Protection and has many friends wherever he is known.

Mr. and Mrs. Sibbitt left immediately after the wedding for Rocky Ford, Colorado.

Three out of three done!

Remember back last fall when I wrote asking if there were other alumni who [had] moved away and if they still loved Protection like I did?

At that time I also asked if there were others like myself who would like to feel they were part of a project back home....

[With the PHS alumni reunion set for next May, three projects have been suggested.]

The first project is a nice shelter for the park. It seems as though many people still think of the park as the focal gathering place for folks on occasions such as the Pow-Wows, FunFests and alumni reunions....

The second suggestion is an attractive lighted Protection sign designed of brick or rock and wood. Stan Herd has agreed to design this....

The third project is Protection's own distinctive flags (or banners) for our downtown....

Being the dreamer and optimist that I am, I would like to challenge the alumni to fund, complete and dedicate all three projects by May of 1992.... Mother's Advancement Club has given \$200 to kick off the projects. A special account has been established at the Bank of Protection entitled "Project Protection."...

Sondra Filson Monroe, Dallas, Texas

"Sonie" is still a regular visitor to her Comanche County hometown, especially now that her son and daughter-in-law John and Kristine Monroe have opened the Round One Sports Grill on Broadway.

She, like other former and current residents, have seen that all three suggestions in her 1991 letter have been carried out—but not by May 1992.

The first completed project was Protection artist Stan Herd's impressive wood-carved sign welcoming folks to town at the south end of Broadway. It was set up in the mid 1990s.

A new shelter house in the city park was completed in 1996. Seed money was provided by Jane and Jeannine Davis, daughters of local plumber Harry "Jick" Davis. The sisters contributed memorial funds donated after Jick's death in late 1992. The rest of the structure was paid for from the sale of commemorative bricks installed nearby in 1997.

And the flags or banners Sonie mentioned were put up in 2018 in the form of metal signs featuring paintings and "earthworks" created by Stan Herd. They are mounted on street light poles that line both sides of Broadway. The signs replaced Stan's hometown mural on the side of the old Bill's Grocery/Protection Lockers building that had to be torn down.

Traveling barber

Gerold Schweitzer of Ashland, Protection's longtime barber, is still recovering from triple-bypass heart surgery. He underwent the operation July 22 and is "making progress," he said this week.

As of October 1, he will have been cutting hair for 50 years. He began barbering in Protection in 1976. He also travels to Coldwater and opened his shop there in 1978. He's in Protection each Friday. His "home" shop is in Ashland.

He hopes to be back at work by early September.

Delinquent List of Comanche County
Office of County Treasurer Coldwater,
Delinquent Tax List of Comanche County, Kansas Comanche County Kansas
August 13, 2026

In compliance with section 106 of Session Laws of 1876 as amended by chapter 102 Sessions Laws of 1891, of the State of Kansas, public notice is hereby given that the taxes and charges for the year 2025 against the following tracts and town lots situated in the County of Comanche, and State of Kansas are due and remain unpaid. I will on the first Tuesday in September, being September 1, 2026 at 10:00 o' clock A. M sell at private sale to the County of Comanche, State of Kansas, at this office in the City of Coldwater, as provided by Chapter 16 of the Session Laws of 1891, and an order of the Board of County Commissioners of Comanche County, Kansas, adopting the same, each tractor land or town lot described herein to meet the taxes and charges thereon. A few of the taxpayers whose names appear in this legal publication may have made a payment. Unfortunately, it has been impossible to delete those names due to regulations that specify that no changes can be made once the list is submitted, as required by law, to meet the tax deadlines. I regret any embarrassment this ruling may cause.

Comanche County Treasurer

SEWER CLEANING NOTIFICATION

We will be cleaning sanitary sewers in your area

FROM: August 19, 2026

THROUGH: August 20, 2026

Starting about 7AM, it will take most of the day.

Sewer lines can develop air pressure or a partial vacuum from the cleaning process.

Usually any excess air pressure or vacuum will dissipate through your plumbing vents, but occasionally there are homes with inadequate plumbing vents (no vents, undersized vents or obstructed vents).

In the case of inadequate venting air pressure could escape through your toilet, floor, sink, tub or shower drains causing water to splash out or, a vacuum could draw the water out of your fixture traps causing an unpleasant odor, your fixture traps causing an unpleasant odor.

To guard against this possibility please:

- ** COVER ALL FLOOR DRAINS WITH PLASTIC AND PLACE A WEIGHT ON THE PLASTIC
- ** COVER ALL TOILETS WITH PLASTIC AND CLOSE THE LID ON THE PLASTIC.
- ** IF YOU SHOULD EXPERIENCE AN UNPLEASANT ODOR, RUN WATER INTO EACH DRAIN TO RE-FILL THE TRAPS.

Water and drains may be used as normal.

The cleaning of sanitary sewers is necessary to help to help prevent stoppages

THANK YOU FOR YOUR COOPERATION
