SOUTH BARBER ELEMENTARY

Special Guest: Author Reads to Students

Oklahoma author Vanessa Garvie, of Burlington, reads the book she wrote “Tugg and Maggie’s Adventures – Let’s Go!” during a visit to South Barber Elementary School this week. Garvie also brought the subject of the book along for the visit – her dog, Tugg.

USDA Offering \$8B in Farmer Relief Payments

BY CAMI COONS
Iowa Capital Dispatch

Farmers will be eligible to receive one-time payments from the U.S. Department of Agriculture to provide relief for high fuel and input costs.

USDA and President Donald Trump announced Monday night at a rally in Kansas that farmers would have \$8 billion made available in the Harvest Fuel Relief program. Farm groups expressed appreciation Tuesday for the relief program, but said they also hope to see long-term policy solutions that will support the farm economy.

The relief announcement comes as farmers are in the thick of harvest and filling up with diesel fuel at historically high prices – more than \$6 per gallon nationally – due to global trade disruptions. The announcement was also made two weeks ahead of a competitive midterm election that has sent Trump and members of his Cabinet across the country to support Republicans on the ticket.

Speaking at a rally in Park City, Kansas, while supporting Republican candidates U.S. Sen. Roger Marshall and Ty Masterson, Trump reminded farmers of his efforts to support biofuels and of a recent move to suspend penalties for on-road use of dyed diesel fuel.

“When the Republicans win, we will pass even more funding for our farmers,” Trump said in Kansas after announcing the USDA relief program. “We love our farmers.”

A news release from USDA said the Harvest Fuel Relief program will “provide simple, proportional support to producers” and use a uniform formula for modeled losses during the 2026 crop year. USDA said the program would be similar to the \$12 billion Farmer Bridge Assistance

program announced at the end of 2025 and distributed this year.

Both programs were authorized through the Commodity Credit Corporation, the USDA-led and congressionally funded corporation that supports many of the department’s programs.

Secretary of Agriculture Brooke Rollins said the Harvest Fuel Relief program would “help bring certainty” to farmers so that they can “continue to feed our nation.”

“President Trump is the most pro-farmer president of my lifetime and he is continuing to put Farmers First every day,” Rollins said in a news release.

According to USDA, commodity-specific payment rates for Title I crops – major row crops including barley, corn, wheat, soybeans and sorghum – will be released in November. The payment methods for “other eligible commodities” will be announced at a later date. USDA said the program will not be linked to crop insurance.

National Corn Growers Association President Matt Frostic said corn growers are “eager to learn more details” about the fuel relief program.

“As we work to tackle the many economic challenges facing growers and rural communities, we urge Washington to focus on durable, bipartisan, long-term solutions that will result in lasting improvements to the farm and national economy,” Frostic said in a statement.

He said actions to pass legislation for the year-round, nationwide sale of E15 fuel, renewed trade agreements between the U.S., Mexico and Canada, and to pass a farm bill would support farmers long term.

A post on X from USDA said farmers can apply for the program online via Login.gov.

Arizona’s Mountain Oyster Art Show to Feature Local Artists

BY FAITH COULTAS
Staff Writer

Three local artists have been selected for a prestigious art show, The Mountain Oyster Art Show. This art show features artists from across the country and it will begin on Nov. 20 and end on Nov. 22 and the artwork that is featured in the show will be on display through January 2027 and will be in Tucson, Ariz. Lori Jones, David Volbraught and Earl Kuhn are the three Barber County artists that made it through the selection process and will each have a piece of their artwork featured at the show. There were 282 pieces of artwork spanning across various mediums selected for this show from 500 artists across the country who collectively submitted 1,100 pieces of their artwork.

The Mountain Oyster Art Show is incredibly prestigious and is hosted by a private club in Arizona called the Mountain Oyster Club. This is a club that was founded in 1948 as a place for ranchers to enjoy fine arts. It is a private, members only club and each year it hosts the art show. This is its 57th year and over the years it has become an incredibly well known show in the art world.

Lori Jones

Jones has been featured in this show before, this will be her third year with a piece of her art work in the show. Jones entered three pieces this year and had one

selected for the show, her piece titled Grey Dawn which she used charcoal to create.

“It is charcoal on panel and it is a drawing of a cowboy that was working for us this spring, his name is Royce Butler. He’s putting his bridle on his horse in the wee morning hours so I called the piece ‘Grey Dawn.’ It’s a dark kind of piece for me, not my typical style, still western but not what I usually do,” Jones said about her artwork that will be featured in this show.

Jones has attended this show each year that she has had artwork featured in it, allowing for her to take in all the other pieces of artwork featured and meet new people each year, something she looks forward to.

“I am looking forward to) the people. It’s a three day show which is pretty cool. So we will go down and the first day, we eat dinner as artists with the members of the club so anyone who is a member and wants to come to the dinner can so we dine with the members and the art show staff and you really get to know everybody. The second day, you dine with club members and people who buy tickets for the dinner and it’s always a really nice meal and the third day is the actual show opening and sale. By the end of the three days, you’ve made some new friends and it’s really cool,” Jones said.

Being accepted into this art show is not an opportunity that Jones takes lightly as it is such

a widely known show in the art world and showcases some of the best artwork and artists from across the county and gives her the opportunity to share what she has created with the public.

“I am so thankful and so grateful and I am excited. I go every year to take in the show and it is just amazing,” Jones said, “It’s another step forward for my art career. It’s hard as an artist, you lock yourself away in your studio and you create and when you put that out into the world for the public to see, it’s kind of like exposing a little piece of yourself. It’s like ‘I made this and it might be accepted and it might not be’ so it’s kind of scary. So to be accepted into a show this prestigious, it’s not just a nice check mark on your resume or your path in your career as an artist, it’s a real feeling of validation and it encourages you and pushes you to keep moving forward,” Jones said.

David Volbraught

Volbraught has also been featured in this show in prior years, so he is no stranger to the selection process for this particular show.

Volbraught got his start in art at a young age, finding inspiration all around him on his family’s ranch. He took an art course in his high school years through Art Instruction Schools that was based out of Minneapolis, which helped him further his knowledge of art and helped him get his start on his path to his art career. He then attended

Colby Community College for two years and finished his Education and Art degrees from Fort Hays State College.

Volbraught has always loved art and after teaching, decided to work on his art full time and attended several art shows over the years, expanding his knowledge and his artistic abilities through various workshops.

Volbraught’s art focuses mainly on the landscapes around him and the beauty he sees within the land and the environment, using oil paints as his medium of choice. He practices plain air painting, meaning he sets up his easel outside in an area of his choice and takes in the landscape, trying to capture everything within a short time frame, typically two to three hours due to the constant changing of the sun and the ever changing environment. He then takes that back to the studio and tweaks them until he feels he has fully captured the beauty of the land and environment he was looking at.

Volbraught has entered various art shows across the country over the years and has had much success in the art show circuit. The piece of artwork that he had selected for the Mountain Oyster Show is an oil painting based off of the Elm Creek area in Medicine Lodge.

“Luckily, I got one (piece) in this year and it’s called ‘Snowfall on Elm Creek’ and it’s based around here,” Volbraught said.

Volbraught is part of several ma-

jor and highly renowned art clubs across the country and has worked hard to further his art career and towards his ability to be featured in this show for another year.

“It’s a great feeling and it makes it worthwhile when you get into this type of show every once in a while,” Volbraught said, “I am very happy and pleased to get into this, I have many times before but every time you do it’s always pleasing because you know every once in a while you get an email saying ‘sorry’ so it’s an honor to be in this show again.”

Earl Kuhn

Kuhn is an artist who is fairly well known in the art industry, especially the Western Art Circuit. He has been doing art for roughly 50 years and uses primarily watercolors as his medium of choice, capturing horses and cowboys, even using his sons as subjects for his art. Kuhn has been selected for The Mountain Oyster Show several times over the last twenty years and this year was no different for him.

Kuhn had one piece of art work selected this year titled “Capone” and was created using watercolor as his medium.

“That horse belongs to my son Kerry. They call him Capone, I wasn’t real crazy about that name and to be honest I wasn’t even planning to title it that. It’s a horse of Kerry’s and he just started him,

ART

• From Page 1

he’s had him since he (the horse) was two years old and he just has this look about him that I really like and he’s pretty photogenic,” Kuhn said, “That painting, I really felt good about it. When you’re painting sometimes you can struggle with one and when you’re finished you’re like ‘man I really don’t like this’ but this painting I really felt good about all the way through.”

Kuhn has been around horses his whole life, in-

spiring his art from the very beginning. The horses and cowboys he captures are local to the area or his own sons and their horses.

“It’s (horses and cowboys) something I have always loved, I grew up with horses and when I got married, my wife, she rodeoed and her father trained horses and he was a heck of a horseman and so it just inspires me. It never gets old,” Kuhn said.

Although this isn’t his first year in The Mountain Oyster Art Show, Kuhn is still happy to have been selected.

“To me this is just a show but I am tickled to be in it and I’m happy to have been selected,” Kuhn said, “The big thing is, when people say ‘hey I really appreciate your work’ that to me is the biggest reward.”

With a show of this size and prestige, it is a rare event for multiple artists to be selected from one area, especially one of this size, making this an even bigger achievement for these three artists from Barber County.

“This is a rare thing, especially when you consider that we are not a highly populated county and the

artists that we do have, which isn’t an extensive number, it’s really amazing to have three of us from Barber County selected for this show, it is such an honor for us,” Volbraught said.

The Mountain Oyster Art Show will be held in Arizona, but those of us here in Barber County can still support our local artists from home by checking out the website and you may even have a chance to bid on a few items. You can check out the artwork on display at mountainoysterclub.com now through the ending of the show.

BARBER COUNTY 4-H REPORTS

ORGANIZATION REPORT

On Oct. 11 The Sunflower 4-H Club met at the Walstead Schoolhouse. Roll call was answered by “What is your favorite season and why?” Most people answered summer, because of vacation and no school.

The club had Dr. Tom Carr as a guest speaker for 4-H Sunday, and he spoke about loyalty. Did you know he started 4-H Meat Judging in Illinois? The club

did installation for new offices. Congratulations to President Boyd Banks, Vice-President Janda Goodno, Secretary Jancey Goodno, Treasurer Paisley Marshall, Reporter Jada Brittain, Historian Braylee Waggoner, Parliamentarian Asher Brittain, Song Leader Jocelyn Jones, Recreation Blaine Waggoner and Tex Smith, Council Reps Boyd Banks, Jancey Goodno, and Janda Goodno, Alternate Council Reps are Paisley Mar-

shall. The 4-H Achievement Banquet is Nov. 14. For October Community Service, the club is helping clean up at the pancake supper at the First Christian Church for Operation Christmas Child. For refreshments everyone brought brunch items, including pumpkin rolls, breakfast burritos, breakfast casserole, fruit and more. And that’s a wrap on this month’s news.

Jada Brittain, Reporter

ORGANIZATION REPORT

The Sunflower 4-H Club met on Sept. 20 at the Walstead Schoolhouse. The roll call was answered by, “What is your favorite memory this year?” Most people said the County Fair.

The 2026-2027 Sunflower 4-H Club officers were elected as follows: President - Boyd Banks, Vice-President - Janda Goodno, Secretary - Jancey Goodno, Treasurer - Paisley Marshall, Historian - Braylee Waggoner, Parliamentarian - Asher Brittain, Reporter - Jada Brittain, Song - Jocelyn Jones, Recreation - Blaine Waggoner and Tex

Smith, Council Reps - Boyd Banks, Jancey Goodno, and Janda Goodno, Alternate Council Reps - Paisley Marshall

Jasper McNally demonstrated how to catch an alligator, using Boyd Banks as the alligator. It was really funny! Janda Goodno gave a demonstration on “How to be a successful leader.” Kye Settle brought a football, helmet, shoulder pads, jerseys, and pants to demonstrate the equipment needed for the defensive linemen position, which is what he plays.

A few upcoming dates are: National

4-H week is Oct. 5 - 10.

4-H Sunday is Oct. 11 at the Walstead Schoolhouse
Sunflower 4-H Club party is Oct. 24 at the P & M Pumpkin Patch.

Community service for October will be food pantry donations. This is my last report as the Sunflower 4-H Club Reporter until I’m hopefully elected again. I’m sad that this journey has come to an end; I hope you all have enjoyed being a part of our club. I hope you guys stay well.

Till next time.

Paisley Marshall, Reporter

OBITUARIES

DIANE LENORE HENRY

Diane Lenore Henry was born Dec. 25, 1948, in Berkeley, Calif. She went into the loving arms of her resurrected Lord and Saviour Jesus Christ on Oct. 11, 2026. Raised in Stockton, Calif., Diane was predeceased by her mother,

Josephine Lenore Hood, father, Marvin Ross Hood, her infant son Travis Henry and brother-in-law Randy Henry. She was the beloved wife of Michael Henry for 56 years. Diane was the loving mother to Lori Stairs (Jonathan), Kori Trierweiler (Craig), Darci Marshall (Craig) and Danae Moses (Jonnathan). She was a loving grandmother to Annika Goddard (Nathan), Jessie McElrea (Andrew), Ella Trierweiler, Josiah Stairs (Shania), Darci Trierweiler, Noah Stairs, Kyle Trierweiler, Piper Marshall, Luke Stairs, Adele Marshall, Claire Marshall and Travis Moses. Diane was also the great-grandmother to Judah Goddard, Peyton McElrea, Josephine Goddard, Ivy McElrea, Daniel Goddard. Diane was a cherished sister to Ron Hood and sister-in-law to Carol Henry and Mark Henry (Jill).

Diane devoted her life to Christ as a teenager and after graduating from Baptist Bible College in Springfield, Mo., she taught in a Christian school in Miami along with her husband until their daughter Lori was born. She and Mike then moved back to his hometown in Iowa where they farmed and God added Kori and Darci to their family. In 1982, sensing a call from God, Mike became the pastor of First Baptist Church, Medicine Lodge, where he served for 10 years with Diane by his side. Diane led Bible Studies as a pastor’s wife and continued with teaching women the Bible after Mike transitioned from being a pastor to starting and managing two Christian radio stations. Their daughter Danae was born during these years.

Besides Christ, Diane loved serving her family. She was a prayer warrior who listened to God and others with empathy. Her biggest investment was her daughters and teaching them how to follow Christ. Diane exhibited the qualities of a godly wife listed in Proverbs 31. She finished her race of faith well and will be deeply missed.

A funeral service took place on Friday, Oct. 16 at Woodland Cemetery Pavilion, Deer Park, Wash. To view and sign Diane's online guestbook please visit lauerfuneral.com.

ROBERT L. ANGLE

Robert L. Angle, age 92, passed away Tuesday, Oct. 13, 2026. Bob was born June 7, 1934, in Amorita, Okla., to Howard and Mabel (Poindexter) Angle. He spent his childhood in Waldron and graduated from Bluff City High School in 1952.

Bob enlisted in the U.S. Army in 1954 and served until early 1957. He married his loving wife, Wanda L. (Matthew) Angle in 1955, and they shared 62 years of marriage.

Following his military service, Bob delivered milk for 36 years, mostly with Meadow Gold Dairy in Wichita. After retiring, he

moved to Medicine Lodge, where he served on the City Council form 2011 to 2015. He worked with the groups that built the Vietnam Memorial Wall at the intersection of U.S. 160 and Main Street, and he volunteered with the Leisure Time Center by driving its bus and maintaining transportation records. Bob enjoyed traveling, playing pool, watching sports and cooking, but he especially loved spending time with his family. He was a caring and devoted husband, father, grandfather and great-grandfather.

In addition to his parents, Bob was preceded in death by his wife, Wanda, and his brother, Jerry Angle. He is survived by his son, Steve (Cindy) Angle, of Wichita; granddaughters Amy (Tyson) Greiner, of Wichita and Melissa (Brandon Weldon) Angle, of Atlanta; great-grandchildren Aiden and Scarlett Greiner; and niece, Inge Esping.

A graveside service was Wednesday, Oct. 21 at the Highland Cemetery, in Medicine Lodge.

Arrangements were made by Webb Shinkle Mortuary, in Clearwater. In Lieu of flowers, memorial donations may be made to VFW Post 7625, 109 W. 1st Ave, Medicine Lodge, KS 67104 or the Leisure Time Center, 213 N Main St, Medicine Lodge, KS 67104.

HOUSE CONCURRENT RESOLUTION No. 5004

A PROPOSITION to amend section 1 of article 5 of the constitution of the state of Kansas to require individuals to be citizens of the United States, at least 18 years of age and a resident of the voting area in which such person seeks to vote in order to vote in this state.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 1 of article 5 of the constitution of the state of Kansas is hereby amended to read as follows:

“§ 1. **Qualifications of electors.** Every(a) No person shall be deemed a qualified elector unless such person:

(1) Is a citizen of the United States who;
(2) has attained the age of eighteen years; and who
(3) except as provided in subsection (b) or (c), resides in the voting area in which he or she such person seeks to vote shall be deemed a qualified elector:

(b) Laws of this state relating to voting for presidential electors and candidates for the office of president and vice-president of the United States shall comply with the laws of the United States relating thereto. A citizen of the United States, who is otherwise qualified to vote in Kansas for presidential electors and candidates for the offices of president and vice-president of the United States may vote for such officers either in person or by absentee ballot notwithstanding the fact that such person may have become a nonresident of this state if his or her such person's removal from this state occurs during a period in accordance with federal law next preceding such election.

(c) A person who is otherwise a qualified elector may vote in the voting area of his or her such person's former residence either in person or by absentee ballot notwithstanding the fact that such person may have become a nonresident of such voting area during a period prescribed by law next preceding the election at which he or she such person seeks to vote, if his such person's new residence is in another voting area in the state of Kansas.”

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

“Explanatory statement. This amendment would clarify that only a person who is a citizen of the United States is eligible to vote in this state.

“A vote for this proposition would clarify that only a person who is a citizen of the United States is eligible to vote in this state.

“A vote against this proposition would make no change to the constitution of the state of Kansas, and the language concerning voter qualifications would remain the same.”

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2026, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case the proposed amendment shall be submitted to the electors of the state at the special election.

KIOWA CITY COUNCIL MINUTES

October Meeting

1. CALL TO ORDER
Mayor Garrett England completed roll call at 7:00 pm: Councilmembers Robison, Duvall, Thayer and Molz were present, quorum reached. Mayor England led the Pledge of Allegiance. Councilmember Jason Thayer said the opening prayer.

Approval of Agenda: Councilmember Jason Thayer motioned to approve the agenda. Councilmember Dylan Molz seconded the motion. The motion was carried 4-0.

2. APPROVAL OF PAST MINUTES

a. Councilmember Jason Thayer motioned to approve the September 14, 2026, City Council meeting minutes. Councilmember Janet Robison seconded the motion. The motion was carried 4-0.

3. APPROVAL OF EXPENDITURE

a. Monthly Expense Report - Councilmember B.J. Duvall moved to approve the Monthly Expense Report. Councilmember Dylan Molz seconded the motion. The motion was carried 4-0.

7:05 pm Councilmember

Brian Hill arrived.

b. The governing body reviewed the Monthly Budget Report.

4. NEW BUSINESS

a. Chief Theatre – City Administrator Ty Piper advised that the city had received five letters/proposals from people and or groups interested in the theater. He thought it was wise to take all the interested parties down for a tour of the theater. Councilmember Brian Hill motioned to adjourn the meeting at 7:08 pm and reconvened at the theater. Councilmember B.J. Duvall seconded the motion. The motion was carried 5-0. Mayor Garrett England called the meeting back to order at the theater at 7:12 pm. Chief Theater Community Group member Janell Goodno questioned the conditions of the roof. City Administrator Ty Piper advised that the roof was in the process of having a couple places patched and repaired, at no cost. Councilmembers and citizens continued to view the theater, its concession stand, seats, projector, restrooms, etc. At

7:30 pm, Councilmember Janet Robison motioned to adjourn from the theater and reconvene back at city hall. Councilmember Jason Thayer seconded the motion. The motion was carried 5-0. Mayor Garrett England called the meeting back to order at 7:34 pm at city hall. City Administrator Ty Piper advised that he would like to give each of the interested parties a chance to speak to council.

• Kelly Deen – was not present.

• Reiley Baysinger – was not present but had advised that she was not able to make the numbers concerning the theater work out for her.

• Emmitt Blevins III - brought ideas of ways to help increase revenue for the theater such as special events like a date night, Halloween movies for the holiday, face painting to go with a matinee, making posters to be displayed in surrounding towns, and playing series movies. In December there is a new Avengers movie coming out, so why not play the previous movies ahead

of the new release.

• Chief Theater Community Group – Abby Humphrey and Janell Goodno said the group did not believe it was feasible for one family to operate the theater alone and would need volunteers and assistance from other groups. They planned to seek Bob and Pam Cox’s help, contact information, and equipment training. The group proposed operating the concession stand similarly to the high school’s model, allowing participating groups and classes to earn proceeds while keeping costs low. They hoped advertising the theater’s affordability would increase attendance. Suggested activities included hot dog nights, theater rentals, and an employee appreciation night proposed by KDH. Goodno said the group wanted to work with the city on maintenance, bills, and repairs, particularly expenses exceeding \$2,000. The group requested that the city pay for all utilities except gas because it believed the city received utilities at cost. City Administrator Ty Piper

clarified that the city pays the same rates as other customers. Goodno said that, if operations were successful after the initial 12-month proposal, the group would assume responsibility for utility payments. The volunteer-led group’s goal was to break even, and it had received \$7,300 in pledges. Councilmember Jason Thayer asked how the group planned to operate differently from Bob and Pam Cox to remain open, increase revenue and traffic. Humphrey cited business-sponsored movies, fundraising, matinees, special events, and screenings of local high school sports. Goodno added that the group would pursue grants through the city. Councilmember Brian Hill asked whether the group would provide quarterly financial statements to the city. Goodno confirmed that this requirement was included in the contract. Piper asked whether the group planned to form a 501(c)(3) organization. Goodno said it might do so after the 12-month evaluation or partner with an existing

501(c)(3).

• Nick Thayer – was not available, but Jason Thayer advised that Nick’s proposal was to start with showing one movie a week and see how the demand progresses. Adding a matinee and eventually more showings if the demand is warranted. He also would like to expand the use of the theater to possibly include dinner and date nights, musical events, talent shows, rental of the theater for birthdays, etc. An umbrella license (MPLC), like in a bar, or restaurant for sports and streaming, was investigated and researched, but won’t work for our theater because we have bolt-down seats.

City Administrator Ty Piper advised that there is a similar theater in Wyoming that has brought their movie theater back after being completely closed for years and is thriving by thinking outside of the box. They have things such as Dry Bar Comedy, music events, rentals, paint-n-sip parties, etc. Councilmember Dylan

GUESS WHO?

I am an athlete born on October 18, 1984, in Minnesota. I am one of only six women to have won World Cup races in all disciplines of alpine skiing. I have won four World Cup championships and hold an Olympic gold medal. I suffered a bad injury at the 2026 Winter Olympics.

Answer: Lindsey Vonn

RAPTORS!

The word raptor comes from the Latin word *rapere*, which means "to seize or grasp."

Adaptations

Raptors have three key adaptations making them excellent hunters.

- EYES:** Raptors have keen eyesight that helps them spot their prey from great distances. The Australian wedge-tailed eagle can spot a rabbit from about 1.2 miles (2 km) away. This is about three times farther than a human can see. Raptors can also see more colors than people, which helps them see camouflaged prey.
- BEAK:** They have a sharp, hooked beak for tearing their meat into bite-size pieces.
- FEET:** The sharp, powerful talons or claws of raptors are used to catch and kill prey.

Standards Link: Life Science: Students know that adaptations in physical structure may improve an organism's chance for survival.

Types of Raptors

Read about these three raptors. Then do the math to match each one to its silhouette.

Golden Eagle = 30

Habitat: Found throughout the Northern Hemisphere.

Wingspan: About 7 feet (2.1 m)

Diet: Usually small mammals such as rabbits and squirrels. Golden eagles have been seen attacking and killing pronghorn antelope, which are several times bigger than they are.

Peregrine Falcon = 13

Habitat: Found on every continent except Antarctica.

Wingspan: 3.5 feet (1 m)

Diet: Mainly hunts birds and can typically catch their prey in the air.

Swallow-tailed Kite = 19

Habitat: Southeastern United States

Wingspan: 4 feet (1.3 m)

Diet: Slow-moving prey such as snakes, insects, baby birds and rodents.

Visit HawkWatch International's website to find more information about raptors. Discover places in your area where you can see raptors migrating. Learn how scientists study raptors using satellites at www.hawkwatch.org

Secretarybirds

The secretarybird gets its name from the crest of _____ on the back of its head. Some say the feathers look like _____.

It has the longest _____ of any raptor and is known for running—not flying—after its _____.

These unusual birds walk through the African _____, sometimes up to 20 miles per day, looking for food. They will eat insects, mammals, birds, tortoises, eggs and snakes.

Standards Link: Life Science: Students know animals have structures that serve different functions.

Double Double Word Search

Find the words by looking up, down, backwards, forwards and diagonally. Then look for them in this week's *Kid Scoop* stories and activities.

FALCON	S	R	O	T	P	A	R	E	E	S

Standards Link: Letter sequencing. Recognize identical words. Skim and scan reading. Recall spelling patterns.

FROM THE Kid Scoop LESSON LIBRARY

Raptor Parts of Speech

Look through the newspaper and find five nouns, five verbs and five adjectives that describe one of the raptors mentioned on today's page. Write a paragraph about that raptor using facts on this page and the words you found.

Standards Link: Grammar: Recognize parts of speech in writing.

What do you call a crate of ducks?

ANSWER: A box of quackers.

Kid Scoop FIT&FUN

Try these exercises to have fun and exercise the owl way!

Fly like an owl.

Stretch your arms wide apart and swoop around outdoors.

Perch like an owl.

Squat down like you are sitting on a tree branch watching for mice on the ground. Fold your arms into wings with your thumbs in your armpits. How long can you stay in this position?

Hop like an owl.

Start in the perch position. Then hop to the right, hop to the left, hop forward, and hop backward.

Twist and turn.

While sitting in the perched position, turn your head as far to the right as you can. Then turn your head as far left as possible.

Standards Link: Physical Education: Understand the health benefits of physical activity and exercise.

Kid Scoop VOCABULARY BUILDERS

This week's word: **SILHOUETTE**

The noun **silhouette** means the outline of an object filled in with solid black.

The silhouette of the eagle could be seen against the bright sky.

Try to use the word **silhouette** in a sentence today when talking with your friends and family members.

BARBER CO. SHERIFF REPORT

During the week of Oct. 12 through Oct. 18, the Barber County Sheriff's Office remained active throughout Barber County with patrol operations, traffic enforcement, school security, civil process, K9 activity, emergency calls and assistance to other agencies.

Weekly Activity Totals

- 144 calls and activities recorded, including 10 joint calls with other agencies.
- 68 extra patrols logged throughout Barber County communities, schools and county facilities.
- 21 traffic stops conducted.
- 7 school checks/walk-throughs and school-zone entries logged.
- 5 VIN inspections logged.
- 6 attempts to serve logged.
- 2 motorist assists logged.
- 3 non-injury traffic accident calls recorded.
- 6 cattle-out calls recorded.
- 2 other animal-related calls recorded.
- 2 traffic hazards record-

- ed.
 - 2 reckless driver complaints recorded.
 - 2 alarm calls recorded.
 - 2 911 open-line/hang-up calls recorded.
 - 7 requests to speak with an officer recorded.
 - 1 drug activity/investigation entry documented.
 - 1 K-9 maintenance training session attended by Deputy Hyrst and K-9 Raider.
 - 1 fraud complaint recorded.
 - 1 abandoned vehicle call recorded.
 - 1 vehicle unlock logged
- Additional activity included 1 reported heart attack call, 1 mental health-related call, 1 gas leak call and 1 weather-related entry.

Notable Activity

- Oct. 12: Deputies logged school security activity in Kiowa, traffic enforcement, a reckless driver complaint and extra patrols in county communities and at the Barber County Courthouse.
- Oct. 13: Deputies logged a joint reckless driver complaint and traffic hazard call with Medicine Lodge Police

Department, school checks, a VIN inspection and weather-related activity. Deputies also logged extra patrol in Sun City. Additional patrols and traffic enforcement continued throughout the county.

- Oct. 14: Deputies logged two non-injury accidents on Highway 281, an alarm on SW Sandy Creek Road, animal and cattle-out calls, civil process attempts and school checks. A drug activity/investigation entry was documented in Hardtner, and a joint VIN inspection entry with Kiowa Police Department was recorded in Kiowa.
- Oct. 15: Deputies logged joint alarm and reported heart attack calls with Medicine Lodge Police Department; Medicine Lodge Ambulance was also listed on the medical call. Other activity included a non-injury accident on Highway 281, motorist assistance, a vehicle unlock, a fraud complaint, cattle out, an abandoned vehicle and a 911 open-line/hang-up call. Joint school patrol entries with Kiowa Police Depart-

ment and Medicine Lodge Police Department were also recorded.

- Oct. 16: Deputy Hyrst and K-9 Raider attended maintenance training in Wichita. Other activity included two VIN inspections, a school check in Kiowa, an animal complaint on NW Lake City Road, traffic enforcement and motorist assistance. One traffic stop entry also listed Kiowa Ambulance. Extra patrols continued throughout county communities.
- Oct. 17: Deputies logged a joint mental health-related call with Medicine Lodge Police Department and Medicine Lodge Ambulance, three civil process attempts, traffic enforcement and extra patrols. A traffic stop near SW Hawkins Road and U.S. Highway 281 was marked report to follow.
- Oct. 18: Deputies logged cattle out on SE Tri-City Road, traffic enforcement near Sharon, a 911 open-line/hang-up call in Kiowa and a reported gas leak in Sharon. Patrols continued in county communities and at the Barber County Court-

house.

Assistance and Joint Activity with Other Agencies

Medicine Lodge Police Department: 6 joint calls and activities, including a reckless driver complaint and traffic hazard on October 13; an alarm, reported heart attack call and extra patrol at Medicine Lodge Grade School on Oct. 15; and a mental health-related call on Oct. 17.

Kiowa Police Department: 2 joint activities, including a VIN inspection in Kiowa on Oct. 14 and extra patrol at South Barber Elementary School on Oct. 15.

Medicine Lodge Ambulance: 2 joint calls, including the reported heart attack call on Oct. 15 and the mental health-related call on Oct. 17. Medicine Lodge Police Department was also listed on both calls.

Kiowa Ambulance: Listed with the sheriff's office on a traffic stop entry near SW Scott Canyon on Oct. 16. The log does not explain the ambulance's role.

Communications: Listed with the Sheriff's Office

on a weather-related entry south of the landfill on Oct. 13.

Some calls involved more than one outside agency. These agency counts overlap and represent 10 joint calls in total. No fire departments were listed on a qualifying Sheriff's Office entry during this reporting period.

K-9 Maintenance Training – Wichita, Kansas

Deputy Hyrst and K-9 Raider attended their regularly scheduled weekly maintenance training in Wichita, Kansas. This ongoing training helps maintain the K-9 team's narcotics detection proficiency, reinforces handler and canine coordination, and ensures continued operational readiness.

The Barber County Sheriff's Office is committed to earning your trust through professional service and a steady presence in our communities. We appreciate the support of our residents and public safety partners as we work together to keep Barber County safe.

Lady Indians Win Second Straight Regional Title

BOB MORRIS / The Premiere

The Medicine Lodge volleyball players and coaches pose with the Regional championship plaque after the Lady Indians won a quadrangular at Garden Plain Monday to advance to Sub State play. The Lady Indians beat Hutch Trinity, Wichita Central Christian and Stanton County to advance to a Sub State tournament Saturday at Moundridge.

BY BOB MORRIS
Managing Editor

For the second straight year, the Medicine Lodge volleyball team won its Class 2A Regional quadrangular and will advance to Sub State play.

The Lady Indians hosted a Regional at Garden Plain Monday night, beating Hutch Trinity 25-17, 25-12, beating Wichita Central Christian 25-19, 25-16 and beating Stanton County 28-26, 25-13.

Head coach Megan Inslee said she thought the girls played great in Regionals.

“We didn’t drop a set all night,” she said. “Even though we had some close ones and we were down a few times, they really rallied back and worked hard together.”

The Lady Indians did have a slow start against the Hutch Trinity Lady Celtics in the first match, but Inslee was pleased with how the girls came together and played better as

the match progressed.

“I think it was nerves more than anything, and excitement just a little bit,” she said. “And once we settled in, though, our zone serving really took over and I think did it for us.”

Wichita Central Christian came out strong in the first game against the Lady Indians, taking a 4-0 lead early on and Medicine Lodge had to rally back.

“Really, it was just about passing during that time,” Inslee said. “Our hitters came alive there about halfway through the first set. And then after that, we didn’t have much trouble.”

Stanton County made it close in the first game, which Inslee attributed to serving. The Lady Indians missed multiple serves to start that match.

“I’d hate to look back and count, but you miss that many serves and it just makes it hard to compete,” Inslee said.

But the Lady Indians served better and closed out the second game with an eight-point serving streak.

“We made that commitment in the huddle between sets that we weren’t going to miss serves like that again the second set,” Inslee said.

Wichita Central Christian won the tiebreaker to determine the other team advancing to Sub State play. The Lady Lions, Stanton County and Hutchinson Trinity all split with each other in match play, with the Lady Lions winning the tiebreaker based on percentage of sets won.

Medicine Lodge will head to Moundridge for Sub State play Saturday. The tournament starts at 2 p.m. with Moundridge against Sedgwick. Immediately after that match, Medicine Lodge will play Wichita Classical. After that match, the championship match will take place, with the winner advancing to the Class 2A State tournament.

Inslee said, regardless of who the Lady Indians play, it will be a

tough Sub State field. But she glad to see the Lady Indians play well in Regionals.

“We had great energy, great chemistry and three good, easy wins going into Sub State, which is what you want to have,” she said.

Inslee hopes to see the Lady Indians (27-10) continue to bring that energy into Sub State play.

“I want to see our hitters stand out with making good decisions about when to be aggressive and when to play it safe,” she said.

The head coach added praise for the seniors — Emmy Gerdes, Emery Shinliver, Kenzie Cunningham and Aubrey Miltner — for everything they have done for the program.

“The seniors this year are everything,” Inslee said. “You know, they’re our leading stats players. They’re leaders emotionally and mentally on the court. And they’re going to be super hard to replace next year.”

The South Barber volleyball players and coaches pose with the Regional championship plaque after the Lady Chieftains swept the home quadrangular Tuesday night to advance to Sub State play. South Barber beat Attica, Bucklin and Macksville to win Regional play. The Lady Chieftains will head to Hodgeman County for Sub State this Saturday.

Lady Chieftains Sweep Regional Play, Advance to Sub State

STAFF REPORT

The South Barber volleyball team won its Class 1A-II Regional at home Tuesday, sweeping all three matches in a quadrangular.

The Lady Chieftains

opened with a win over Attica in two games, 25-14, 25-11. South Barber then faced Bucklin and had to go to three games before winning 25-12, 19-25, 25-17. The Lady Chieftains closed the

tournament with a win over Macksville, 25-20, 25-20.

Macksville finished as the Regional runner-up, joining South Barber in advancing to Sub State competition.

South Barber will play at

Hodgeman County Saturday in a Class 1A-II Sub State tournament.

The tournament will start with Hodgeman County (24-14) against Pawnee Heights (12-25), then South Barber

(14-15) against Moscow (13-22), then the championship match.

The winner will advance to the Class 1A-II State tournament to be held in Emporia.

Indians Now 2-0 in District After Shutting Out Ellinwood

BY BOB MORRIS

Managing Editor

The Medicine Lodge football team improved to 2-0 in District 8 play after beating Ellinwood 28-0 for its second straight shutout.

Head coach Robert Smith said the defensive play was the main reason the Indians won the game.

"They kept us in the game because offensively, we didn't play that well," Smith said. "So, yeah, they (defense) played really well.

We got more physical. I feel like they're starting to figure out the physicality part of it."

He said that the players did a good job of reading their keys on defense and flying to the football.

"(We) put a good scheme in defensively, and the kids pretty much did what they said," Smith said. "They did what they were told. We had three interceptions.

"So, I just think the physicality was the main thing. We had a good scheme, and the kids were flying around actually hitting people."

As for the offense, Smith said, the Indians could have done a better job than they did. He said he didn't believe that the receivers ran good routes.

But he credited the defense for setting up the offense by giving the offense good field position.

"We got a couple of interceptions that set us up pretty short field, which is always good," Smith said. "I mean, we did some good things

too, but we still got a long ways to go offensively to get sharper."

He said the main thing is to do a better job of sustaining longer drives.

"We had a couple of drive killers," Smith said. "I think we caught a touchdown that got called back because the kid stepped out of bounds on his route.

"Anyway, the first drive of the game was going really well, and then we made a couple of mistakes that killed the drive."

Still, the Indians have won their fourth straight game and Smith said he is happy to see things falling into place.

"Yeah, we're definitely getting better," Smith said. "We're going to find out. We'll get the opportunity to play what is pretty much considered to be the best team in 1A this week, and it's going to tell us where we are."

It will be Medicine Lodge (4-3) heading to Sterling (7-0) to determine the District 8 championship. Sterling has scored at least 42 points in every game the Black Bears have played this season.

"It's a big, good test for us," Smith said. "I don't think there's any pressure on us, but it'll definitely tell us where we are."

He said he thinks the Indians have a chance to win.

"A lot of people think I'm crazy, but I think we have a chance to win, and I think if nothing else, we'll find out where we are when it comes to how we stack up against the best teams in the state,"

Smith said.

The head coach noted that his main goal was for the Indians to take steps toward establishing themselves as one of the top teams in Class 1A. The game against Sterling will give the Indians a chance to do so.

"They do everything pretty well, but they're very physical," Smith said. "That's the main thing. We're going to have to be more physical than we've been all year this Friday."

But regardless of the outcome Friday night, Smith is happy that the Indians are guaranteed to host a first-

round playoff game.

"Not very many people would have thought after week three that we'd be playing for the district championship Friday night," Smith said. "They've earned the right to go out there and give them hell and see what they can do."

The focus this week in practice, the head coach said, will be on playing physical and staying on assignment on defense. He added that, on offense, the Indians will need to "sharpen things up" and do a better job with running routes and protecting the quarterback.

FILE PHOTO

Medicine Lodge's Judson Barnard returns a punt during the Oct. 9 homecoming football game against Syracuse. The Indians posted their second straight shutout of the season, beating Ellinwood 28-0 on the road last Friday. The Indians are now set to head to Sterling this Friday to play for the District 8 championship. Regardless of the outcome of that game, Medicine Lodge will host a first-round playoff game.

South Barber Falls Short in District Outing Against Ingalls

STAFF REPORT

The South Barber football team lost at Ingalls 30-14 Friday night at home in a game that was crucial to determining the District 3 championship.

Both teams have one game left to play but Ingalls

remains undefeated, 5-0, in district while the Chieftains fell to 4-1 in district play.

Ingalls led 16-0 at halftime and South Barber didn't get on the scoreboard until the third quarter. But the Bulldogs scored twice in the third and South Barber was unable to come back.

The Chieftains had 188 yards rushing and 145 yards passing while the Bulldogs had 226 yards rushing and 79 yards passing. Ingalls had two turnovers while South Barber had three. The Chieftains punted twice but

the Bulldogs were never forced to punt.

Austin Swonger completed 21 of 33 passes for 188 yards with one touchdown and two interceptions. He also rushed for 132 yards on 17 carries with a touchdown.

Steele Smith caught six passes for 77 yards and a touchdown, while Garen Cantrell caught eight passes for 52 yards and Devin Olson caught five passes for 45 yards.

On defense, Cantrell had 16 tackles, Smith had nine, Swonger had seven, Olson

had six and Cody Shklar had five. Swonger had an interception and a defensive fumble recovery.

South Barber (5-2) will head to Bucklin to close out the regular season. The Red Aces are 3-3 for the season and did not play this past week. They faced Ingalls Oct. 9 and lost 70-14.

A win will ensure that the Chieftains host a first-round playoff game.

Meanwhile, Ingalls is set to face Moscow to close the season. The Moscow Wildcat are 1-6 and have yet to win a District 3 game.

MLHS Cross Country Does Well at League

BY BOB MORRIS

Managing Editor

The Medicine Lodge cross country runners competed at the Central Plains League meet in Wichita Thursday.

The race was moved to Brown Thrush Park in Wichita because Wichita Trinity's course had too much water.

"We ran phenomenal," said head coach Kami Hahn. "Five out of six of the high school runners ran PRs (personal bests) and the sixth ran his season best."

In the boy's varsity race, Jaxon Baird was 10th with a time of 18:05.6, Kendall Hall was 11th with a time of 18:06.1, Miguel Hernandez was 15th with a time of 18:43, Dakota Hull was 21st

with a time of 19:13.8 and Carson Woods was 32nd with a time of 21:48.2.

In the girl's varsity race, Madisyn Day was ninth with a time of 22:52.

In the 7th-grade girl's one-mile race, Haddie Hull was first with a time of 6:55.9.

In the 7th-grade boy's one-mile race, Kaiden Wampler was ninth with a time of 6:51.3.

In the 8th-grade boy's two-mile race, Conner Moody was sixth with a time of 13:20.1 and Asher Brittain was seventh with a time of 13:42.2.

The Indians will head to Belleville on Saturday, Oct. 24 for the Sub State meet hosted by Republic County High School.

Hahn said that the runners

FILE PHOTO

Medicine Lodge's Miguel Hernandez ran a time of 18:43 at the league meet last Thursday in Wichita.

are sitting next to a good position going into Saturday's race.

"We are having our best runs at the best time," she said. "We are really hoping to make a great showing to be able to make a move towards State."

Jury returns verdict of guilty against principal in celebrated cattle stealing case. Elmer Williams acquitted.

Thursday George Scantlin leased his new brick business house to Richardson & Longman of Medicine Lodge. The firm expects to put in a stock of general merchandise immediately and Mr. Longman will be manager of the business. They want the building this week but it may not be quite ready. Messrs. Richardson & Longman come highly recommended as first class pushing business men and will carry a first class stock of goods. - Pratt Union. The people of Pratt will find Richardson & Longman nice people to do business with and their competitors will find them gentlemen in every respect. This firm came to Medicine Lodge last April and have since been doing business among us. They have succeeded in bringing people to the town who were in the habit of trading in other towns, thus benefiting all our people. They are up-to-date business men and cordial gentlemen.

Tonk Mills of Lake City was detained here in the White-Williams case most of last week. His evidence was in the expert class, relating to brands, branding and in fact covering the entire cattle business. Tonk has been in the cattle business in Barber County thirty years and there is nothing about it upon which he is not regarded as an authority.

That a bridge is badly needed across the Medicine river just south of Sun City, is not idle talk. A great amount of trading is done over this route and it is no infrequent thing that the way is blockaded either by high water or ice.

STRAYED-From the Rohrer pasture on old Hogard ranch a spotted red cow, branded - on tail, right hip down. Leave information with Walter Jackson, Medicine Lodge.

The B.C.H.S. football team was defeated on the local gridiron last Friday afternoon by the Coldwater team. The score was 25 to 6. The Coldwater boys had no license to win this game, as the B.C.H.S. team played better ball and held them pretty well, but the game was lost on slow playing. A few weeks of good hard practice will teach the boys to play better ball.

The third year literature class are writing arguments on present day subjects, among which are: Abolishment of Athletics from high schools, and circumstantial evidence is insufficient for conviction. The Medieval history class has been collecting references from newspapers and magazines to help them in their work. The D.S. girls have been taking lessons the past week in how to serve banquet parties. They will do some cooking this week for the women's clubs. The Agriculture class has adopted a plan whereby they can take special work from the state agricultural college.

E. E. Lake, Barber County representative and well known secretary of the Barber County Building and Loan Association, will serve as the roll call chairman for Barber County for the annual Red Cross membership campaign which will begin November 11 and last until November 30. Selection of Mr. Lake was made at a meeting of the executive board of the Red Cross. Mr. Lake's selection was unanimous and the members of the board felt that Mr. Lake was extremely well qualified to head this year's campaign which will be the most intensive drive conducted since the World War. Because of the fact that war times are here again with nearly two million young men under arms to greatly increase the responsibilities of the Red Cross, the Barber County quota for this year has been more than doubled. It will mean the largest drive since the last war. Red Cross offices are confident the quota can be met but realize it will take the cooperation of all with their time, energy and money.

John Harrison of Medicine Lodge has been chosen for the advanced flight training course of CAA, offered by the University of Kansas. The selection of Mr. Harrison was announced by Professor Edward E. Brush, head of the department of aeronautical engineering. Mr. Harrison has already obtained his private flying license. His work this semester will be more advanced and will include acrobatic flight.

Word was received Sunday evening of the death of Mrs. Sula Swinson at the home of her daughter in Brazil, Ind., having suffered a stroke. Mrs. Swinson, a former wife of Jim Swinson, left Isabel in 1928 and lived near her father, J.

F. Huitt in Palacios, Tex., until recently when she went to the home of her daughter, Mrs. Clara Todd, in Indiana. The body was returned to Isabel, Wednesday where funeral services were held in the Methodist church with Rev. Annadown in charge, and interment in the Isabel cemetery.

This community was saddened to learn of the death of Bob Lamkins which occurred Tuesday night. Funeral services were held Friday afternoon at M.L. He leaves to mourn his passing his wife, three sons and two daughters.

The Moomau families of Medicine Lodge and vicinity are enjoying a visit with the remaining members of their family. The Moomau's, whose parents, Mr. and Mrs. W. S. Moomau, homesteaded in Barber County in the early days, were all reared in Barber County. There were 11 children in the family and they are all living and are united for the first time in more than 40 years. The family will enjoy a basket dinner on Thursday, Oct. 23, at the Legion Hall after which they will hold open house for friends of the family. Those here for the reunion are: Mr. and Mrs. Will Moomau, Harry and Claude Moomau of Milwaukee, Wis., Walter Moomau of Mokence, Ill., Mr. and Mrs. Clif Moomau of Sterling, Ill., Mrs. Sadie Shock of Chicago, and Mrs. Inez Hooker of Prosser, Wash.

Gene, Bill and Loren Ballentine, former students, spent a few days in Medicine Lodge last week during the Peace Treaty. The boys are attending school in Lyons, Kans.

Who said the seniors were lazy? Well, if you believe that, just keep on reading and we will provide to you they are workers. Some of our industrious seniors are as follows: John Schnelle is the "handsome" soda jerker at Carper's while Ruth Nipple jerks sodas and such at Rutan's. Five of our senior boys work at filling stations. They are Dean Groendycke and Dwight Strickland at Phillips 66; Vale Cooper at Standard Oil Co., Carl Hogan at Johnson Oil Co., and Bob Knight at the Sinclair station. On Saturday we find Don Wright, Milton Thomas and Milton Gant working at the Sales Pavilion. George Hogan swings milk bottles at Richardson's Dairy.

A prairie fire Wednesday evening, high-tailed by strong south

winds, endangered cabins along the east side of the 99 Springs resort north of Medicine Lodge. But miraculously, no cabins were destroyed though the flames from the fire crept within one foot of a cabin along the northeast side of the lake and not much farther from other cabins located in the vicinity. Only one outhouse was burned. Some 20 acres of land belonging to the resort were singed off, Albert Boltjes, 99 caretaker estimated. The prairie fire was first noticed at about 9:15 p.m. by Wayne Meairs, who lives in the vicinity. Meairs contacted Boltjes and George McKee, who live on the lake. The men started battling the spread-out blaze while additional volunteers were summoned. Soon afterwards, additional help arrived and some 10 men from the area and Isabel fought the blaze at its height. At midnight, Dowell volunteer crews and individuals from Medicine Lodge, Isabel and the 99 Spring area were still on hand, keeping a sharp lookout for another flare-up. It is believed the prairie fire was caused by high winds which blew down an electric wire leading into cabins along the lake. Sparks from the wire apparently ignited the dry grass in the area, it was guessed.

Residents of Sharon awoke early this morning before Easter to mixed feelings of shock and relief. Shock in that their town had just been struck by a tornado...and relief that no deaths or serious injuries had resulted. Two injuries were reported but neither was termed

serious. An elderly man, Alf Fisher, was injured when his home just south of Sharon was demolished by the twister, and another woman was being treated for shock. A total of nine homes have been reported demolished as of mid-morning Saturday, with another report of a trailer home being hit near Hardtner. Two barns were also reported destroyed.

Boy Scouts and law enforcement officials continued their search and investigation Saturday into the murder of a 25-year old Sharon woman, who was the first murder victim here in more than 50 years.

Tom Langford hits Riley Greenwood, pictured above, for a ten yard touchdown pass early in the third quarter of play against Maize. The Indians went on to beat Maize 31-13 without starting quarterback Kelly Schnobelen who was injured in the first quarter.

Local businessman Ron Fincher visits "The Moving Wall" to find the name of an old Medicine Lodge High School classmate and friend, John M. West, who was killed during the Vietnam War. West and Fincher graduated together.

MINUTES

• From Page 3

Molz stated that "we're not running the theater, let's let the people with committees decide all of this. We need to take in ideas, not be giving ideas out." City Administrator Ty Piper stated that the city owns the theater, so thinking about the future, planning for change, and not continuing with the same old that hasn't been working is why we're discussing ideas. Mayor Garrett England stated that council should look through each of the proposals a bit deeper and have a special meeting in a week, on October 26th. Time to be determined.

b. Resolution 26-004 – City Administrator Ty Piper advised that this is a step that needs to be completed for the MIH -Moderate Income Housing Grant that was previously discussed in partnership with Barber County Economic Development and Bryan Investments LLC. This is to build 5 new houses in 18 months. Bryan Investments has the land and will use local contractors to build the houses. The houses are to be between 1200-1800 sq ft. at a cost of \$150,000.00 - \$250,000.00. The max amount allowed for the grant is \$750,000.00. Councilmember Janet Robison asked if this is a Kiowa specific grant or county-wide. City Administrator Ty Piper advised that this grant is Kiowa specific. Councilmember Jason Thayer asked if he could be assured that Bryan Investments would use local contractors, because in the past local haven't quite been local, a lot of out of state

was used. City Administrator Ty Piper advised that he was told local means local.

c. Drug Testing– City Administrator Ty Piper advised that the Employee Handbook allows for random drug testing, but at this time the only ones who get randomly drug tested are the employees who hold CDL drivers' licenses. I had city clerk Sameta Thayer reach out to the local hospital and see if they could provide drug testing services. The hospital advised that they could do our random and pre-employment drug testing, but they are not an authorized DOT certified facility. The company currently used by the city has recently increased their prices from \$7.35 per person to \$39.00 a month. Councilmember Brian Hill advised that he thinks a drug consortium for CDL's will still be needed. After some discussion more research and legal council is advised.

d. City Code Amendment 8-501 – City Administrator Ty Piper advised that this is about the dwellings without utilities, and that he and City Attorney Matthew Metcalf are still working with the League of Municipalities to get the wording and legalities of the amendment correct.

5. STAFF REPORTS

a. City Superintendent: City Superintendent John Duvall stated that he finished up the plans for the electrical project and City Administrator Ty Piper put it out for bids. He would like approval to purchase 36 poles from Huxford for \$20,484.00 to replace what is being used in the project. Councilmember Dylan Molz motioned to approve the pur-

chase. Councilmember Brian Hill seconded the motion. The motion was carried 5-0. City Superintendent John Duvall stated that he would like approval to replace hardware to be used in the project for \$15,934.62 from Techline. Councilmember Brian Hill motioned to approve the purchase of replacement hardware. Councilmember Jason Thayer seconded the motion. The motion was carried 5-0. City Superintendent John Duvall advised that the rock for the chip-seal is here. He has been talking with Circle C Paving to get quotes for the chip-seal project. The contract for water tower inspection is due for renewal this year. I have requested 2 quotes, 1 maintenance only, the other maintenance, repairs and painting. Previous cost was approximately \$15,000 over 6 years. Councilmember B.J. Duvall asked what was being done about the football field lights, since repairs have had to be done at least 3 times. City Superintendent John Duvall advised that there are 2 switches like originally agreed upon. City Administrator Ty Piper advised that if the school wants the 2 switches changed, the cost will be on them as agreed upon.

b. Chief of Police: Police Chief Jose Salinas gave his monthly report. He advised that he had 12 requests to speak to officer, 2 vehicle unlocks, 1 alarm at the pharmacy, 2 follow-ups, 18 VIN inspections, 1 EMS call, 1 FD call, 10 animal calls such as trap or disposal, 4 juvenile calls, 1 traffic stop, 2 welfare checks, 1 suspicious person, removed a piece of tin from the road that had several phone calls,

3 dog at large calls – 1 resulting in a citation that has already been paid, 1 damage to property, 1 civil standby, and was in the homecoming parade. I also attended pop-with-a-cop at the Manor with the residents and 2nd graders. Chris Demel with the Kansas Department of Agriculture was here for the annual kennel inspection, which passed.

c. Fire Chief: Fire Chief Bill Duvall advised he would like direction for fire truck "Baby girl", are we selling it or keeping and putting new hose on it. After much discussion it was decided to keep the truck while repairs and maintenance are being done on the pumper trucks, then possibly to sell. Bill advised that he had the city request a quote for a new computer for the fire department, with and without a monitor. The cost is approximately \$1,500.00. Money from the Fire Department Donation fund will be used to pay for it.

6. CITY ADMINISTRATOR REPORT

a. City Administrator Ty Piper advised that the painting of the Historical Society Museum building was completed on Saturday. City employee Brena has moved, so interviews are being conducted for 1 or 2 new employees. The Fire Department curb and landing was going to be started this week, but with the anticipated rain, the contractor has communicated that he is waiting until next week weather permitting. We received a quote of \$1,100.00 a month and examples from the code compliance company suggested by City Attorney Matthew Metcalf. Matthew advised that there could be

extra fees and charges involved such as court costs, abatements, demolition, jail, etc. Council suggested that an in-person presentation be planned for a future council meeting.

7. COUNCIL / MAYOR REPORTS

a. Councilmember Janet Robison asked if the curb at Centennial Park was going to be fixed while the contractor was here for the Fire Department project. City Superintendent John Duvall advised that yes, that is the plan.

8. PUBLIC COMMENT

a. Christina Duvall wanted to confirm that while managing Bob and Pam Cox paid for all the utilities. City Administrator Ty Piper confirmed. She also wanted to ask the council's permission for the senior football moms to have a bonfire. Council advised that Fire Chief Bill Duvall would be the best person to ask, and they would agree with Bill's recommendation.

9. EXECUTIVE SESSION

Councilmember Brian Hill motioned to recess into executive session for up to 15 minutes to discuss a personnel matter about non-elected personnel including City Administrator Ty Piper. K.S.A. 75-4319(b) (1), returning by 9:15 pm. Councilmember Jason Thayer seconded the motion. The motion was carried 5-0 at 9:00 pm. Council returned at 9:14 pm. No action taken.

10. ADJOURN

a. Councilmember Brian Hill motioned to adjourn, and Councilmember Jason Thayer closed with a prayer. The meeting adjourned at 9:16 pm.

LEGAL NOTICE

(First published in The Gyp Hill Premiere on Thursday Oct. 15, 2026) 3t

IN THE THIRTIETH JUDICIAL DISTRICT DISTRICT COURT, BARBER COUNTY, KANSAS PROBATE DEPARTMENT
In the Matter of the Estate of DOLORES J. MILLER,

Case No. BA-2026-PR-000011

Deceased.

Title to Real Property Involved
Pursuant to K.S.A. Chapter 59

NOTICE OF HEARING

The State of Kansas to All Persons Concerned:
You are hereby notified that a Petition for Final Settlement has been filed in this Court by Shellie R. Regehr, executor of the Last Will and Testament of Dolores J. Miller, deceased, praying that the Court direct final settlement of the estate; determine the sole heir and beneficiary of the decedent and assign the real property and personal property, and any and all other assets to Vernon F. Miller, outright, as authorized under Article V of the Last Will and Testament and First Codicil to the Last Will and Testament of Dolores J. Miller, deceased; authorize allowance for attorney's fees and expenses, and upon the filing of receipts showing disbursements and distribution in accordance with the order, petitioner be discharged as executor of the estate of Dolores J. Miller, deceased, and released from further liability.
You are hereby required to file your written defenses thereto on or before the 12th day of November, 2026, at 1:30 P.M., of said day, in said Court, in the City of Medicine Lodge, in Barber County, Kansas, at which time and place said cause will be heard. Should you fail therein, judgment and decree will be entered in due course upon said petition.

REQUEST FOR PROPOSALS - PUBLIC NOTICE

(First published in The Gyp Hill Premiere on Thursday, Oct. 15, 2026) 2t

Request for Proposals October 14, 2026

Issuing Agency: South Barber USD 255

RFP Title: Purchase of Two (2) 2027 Chevrolet Suburban 4WD Vehicles

Proposal Submission Deadline: Monday November 2, 2026, 12:00 PM CST (Noon)

1. Statement of Purpose

South Barber USD is soliciting sealed, competitive proposals from qualified vehicle dealerships to supply two (2) new, unused 2027 Chevrolet Suburban vehicles in strict compliance with the detailed specifications provided below.

2. Technical Specifications & Requirements: Proposals must meet or exceed all specifications:

- Quantity: 2 Vehicles
 - Model Year: 2027
 - Make & Model: Chevrolet Suburban, Model CK10906 (Suburban 4WD)
 - Trim Level: Cloth Interior Options Package
 - Exterior Color: White (Summit White / GAZ)
 - Interior Trim: Gideon / Dark Atmosphere Interior Trim
 - Engine: 5.3L EcoTec3 V8 Gas Engine
 - Transmission: 10-Speed Automatic Transmission
 - Drivetrain: 4-Wheel Drive (4WD)
 - Delivery Destination: Kiowa, Kansas 67070
- #### 3. Submission Requirements: Interested vendors must submit a proposal with the following items:

1. Pricing Proposal: Total unit price and aggregate total price for both vehicles (inclusive of all applicable dealer prep, title, documentation fees, and freight delivery within Kansas).
2. Delivery Schedule: Estimated lead time and delivery timeline upon contract award.
3. Vehicle Build Sheets: Manufacturer order confirmation sheets validating exact factory code alignment (CK10906, 5.3L engine, 10-speed transmission, color, and trim).
4. Warranty Information: Standard manufacturer warranty documentation (minimum 3-Year / 36,000-Mile Bumper-to-Bumper and 5-Year / 60,000-Mile Powertrain).
4. Proposal Evaluation & Selection Criteria: Proposals will be evaluated based on the following criteria:
 - Specification Compliance: Adherence to vehicle specifications and options requested.
 - Cost: Lowest responsive and responsible bid per unit and overall.
 - Delivery Timeline: Ability to meet a reasonable delivery window
5. Submission Instructions & Contact
All proposals must be submitted electronically or in a sealed envelope prior to the deadline:
Contact Person: Andi Giesen
Email: andig@southbarber.com
Mailing Address: South Barber USD 255, 512 Main Street, Kiowa, KS 67070
The South Barber USD 255 reserves the right to reject any or all proposals and to waive informalities or irregularities in the bidding process.
